

CRAIGLEE

SUNBURY, VICTORIA

2005 Craiglee Vineyard Shiraz

93pts Deep, saturated red. Spicy cherry, cassis and cracked pepper on the nose, with a subtle lavender quality adding complexity. Very syrah in character, offering sharply focused dark berry and cracked pepper flavors. A violet candy quality gains strength on the finish, which leaves palate-numbing pepper and spices behind. Those used to easygoing shiraz may

find this uncompromising, but I like its energy and focus. *Stephen Tanzer's International Wine Cellar, Sept/Oct2008*

The Craiglee Vineyard was originally planted back in the 1890's. A unique location producing one of the most unique Australian Shiraz you are ever likely to enjoy, with its trademark white peppercorn character.
