Heathcote II

HEATHCOTE, VICTORIA

Heathcote II is the most exciting new discovery in the Heathcote Region. The wines created by the "II individuals", Peder Rosal and Lionel Flutto are remarkable in their intensity and beauty.

2006 Heathcote II Shiraz Reserve HD

94pts The 2006 Shiraz

HD was aged in 100% new oak. Even more deeply colored, it offers up a complex aromatic array of pain grille, violets, espresso, scorched earth, blueberry, and blackberry liqueur. It is more intense, layered, and long, compared to its less expensive sibling. It, too, will profit from 6-8 years of additional cellaring. *Robert Parker's The Wine Advocate, Issue 181, Feb 2009*

2006 Heathcote II "Myola"

94+pts The 2006 Myola is a blend of 40%

Cabernet Franc, 40% Merlot, and 20% Cabernet Sauvignon. Deep crimson-colored, it gives up a racy, high-toned aromatic array of toasty oak, cinnamon, clove, cassia, black raspberry, and black currant. This is followed by a sophisticated, intellectual style of wine owing more to Bordeaux than Napa. It has plenty of concealed structure, complex flavors, and excellent length. After a half-dozen years of further cellaring its drinking window should extend from 2016 to 2036. *Robert Parker's The Wine Advocate, Issue 181, Feb 2009*
